This block contains three safety-related icons. On the left, a black sign with a red prohibition symbol (a circle with a diagonal line) shows a person operating a machine, indicating that the machine should not be operated without proper training. On the right, a yellow warning sign with a black exclamation mark indicates a general warning. Below these is a yellow sign with a black icon of an open book, signifying that the operator must read the manual. The reference number 11 23 673 is associated with the prohibition sign, and 11 23 674 is associated with the warning sign.
